Light refreshments will be served.

Our 24-hour manned phone service is the most critical service we offer to alcoholics reaching out for help. No matter the time of day or night, when someone picks up "that 100 pound phone" for the first time to call Alcoholics Anonymous, AA in San Antonio and the surrounding 16 counties wants them to talk to a member of AA. As you can imagine, it takes many volunteers to provide this service.

Take advantage of the flier on the back to sign up for shift opportunities, back-up opportunities, and/or 12-step-call opportunities.
